

Here are the notes from the May 27th 2015 meeting.

Present: Jill, Joan and Karen

Absent: Lea and Carl

Our next meeting is June 24th from 11:50 am to 12: 45pm.

- 1- Discussion of supervision guidelines; each program is developing their own guidelines; the CCF program is using the CAP supervision evaluation forms as a template and revising the forms to address the goals of supervision for that program; Joan suggested we look at the supervision evaluation forms for the analytic program and Jill will send them.
- 2- Follow up on adding a supervision tab to the website- no changes have been made as far as we can tell; Karen and Jill will follow up with Anna.
- 3- October weekend- Jill spoke to Virginia Ungar and she agreed to provide a live supervision of a child case with a therapist she does not already know. This will be one session in the October weekend, attended by all participants.
- 4- Jill's supervision program has 6 participants and is starting in September. All participants are IPI faculty members.
- 5- Brief discussion of the need for another supervision course for any graduate of the IPI Core Program interested in providing supervision in their community. This could be run by any IPI faculty member. Further discussion needed to design and structure this course.
- 6- Continue to discuss supervision out-reach to organizations and agencies.

Next meeting is June 24th , Wednesday at 11:50 am.

Joan will be at the IPI Core program summer institute that day.
