

**International Psychotherapy Institute  
Admissions and Advising Committee  
Meeting Minutes  
7-8-15**

**Present:** Nancy Bakalar, Bonnie Eisenberg, Audrey Feiner, Pat Hedegard, Chris Hill Melton,  
Karen Sherwood

**Minutes:** Minutes of 6-3-15 meeting reviewed and approved

**SC Update:** Karen reported that she gave a brief update about our work thus far to the committee chairs who are part of the SC. Karen said that the chairs recognized the significance of our work in creating a draft for admissions/advising/mentoring. Once reviewed by her, Janine will put it on the agenda of the larger SC meeting agenda. If approved by the SC, it will legitimize the document as a way for IPI to sort and guide conflict in programs competing for students.

Karen reported that a note of appreciation would be sent to Audrey on behalf of the AAC members for her participation in co-chairing the Welcoming Committee. Audrey will continue participating in the AAC as a student representative.

**Draft:** See next draft for discussion and most recent revisions.
