

Minutes FDC

Present: CArla Trusty Smith, Sue Cebulko, Michele Reed, Anabella

Minutes - approval pending

Sue will stay on FDC committee

Faculty recruitment process - Michele anticipates SC will have a problem with waiting until October to finalize this. October meeting is when the faculty will approve of an IPI member applying for faculty status. Committee agreed it is appropriate to wait until October for approval.

Michele will send a letter this summer explaining recruiting faculty process and asking for names for potential faculty. Survey form should be sent to IPI faculty every once in awhile to get feedback on faculty process. Faculty will give the committee some ideas. The application form will also be sent out detailing what is required and what the process will be. Michele will send to us ahead of time. Caroline and Janine are thinking of GAM /teacher training for November.

Potential applicants. Michele wrote to Joe Weber and talked to him. He is looking forward to being weekend only participant at this point. Several people have contacted him. Someone could have a conversation with him in Oct.

What is it that keeps people from wanting to apply for faculty? Do they understand Carla - talked to Chris Thomas and his readiness. He was given an application after expressing interest. She will contact him.

Is the faculty fee a deterrent for potential faculty?

Dio Turner - DAvid Scharff suggested giving him an application.

Discussion about following guidelines for recruiting faculty.

Notifying Caroline to bring our guidelines up at each weekend faculty meeting.

Michele will add words to guideline No. 7 to the effect of not giving undue pressure.

Matt Rosa also has an application. We will let him sit with this

Michele wrote to Mary Jo to find out if she wants to be semi retired faculty. She sent her semi retired faculty proposal to Michele. She could not commit to weekends yet, but was willing to lead GAM group. Listed what she would not do and what she wouldn't do. We are approving her status and sending to Janine.

Issue - why do we not have more people applying for faculty?

Michele - do we need to change some of the language on the faculty form. ? We will leave things on the form as they are now. With change in administration , there will be different ways of working.

No meeting in July. We will reconvene in August 15.
