Discussion took into account Director's questions and suggestions.

At this time, announcements in the IPI plenary are most adequate to let faculty and students know about our endeavors. We want to be noticed and we want faculty and students to reach out to us. Andi, Linda, and Patrizia will be present at the upcoming IPI Oct conference. Announcement will be delivered at the plenary.

We would also like to have a specific section about diversity in the evaluations forms, and or expand sections. Currently diversity is listed only in section 4:
