### **Student Progress Review**

***REDACTED***

### **Marketing Materials**

Discussion of marketing materials led to the consensus that:

Child therapy trainees and child analytic candidates alike will attend two weekends per year.

There will be an introductory online immersion summer institute, including introduction to theorists, play technique, parent work, and a taste of infant observation, in early July 2019.

There will be an in-person immersion day before two CORE weekends per year.

Simultaneous attendance at CORE will be encouraged.

### **Any other business:**

The Handbook, the requirements for child analytic cases, and the appointment of an Admissions Committee will be addressed at the next meeting on Sunday October 28 at 10:00 am.
