

Minutes FDC Meeting May 26, 2020

Present: Carla, Paul, Sue, Michele, Anabella

-April minutes were accepted

-Some changes were suggested for the minutes. The group considered after discussion of possibilities that names should be omitted when referring to candidates applications. Anabella suggested that we could name them as Applicant 1 for example or just use the initials.

-We discussed feedback from the retreat related to the application process, how decisions are made and criteria used. A review of criteria will be discussed further with the Director and the SC.

We discussed 3 applications and what they need to do to proceed.
