1. Minutes Approved from September 2021 Meeting.
2. We discussed admissions for a new class:
 - a. Starting in summer 2023? Is that possible?
 - b. Possible fall 2022 intro class.
 - c. Uncertainty about the degree of online training.
 - d. Do we have faculty resources to continue to expand online?
 - e. Would we combine PPP with IIPT for the first 2 years of training for a combined program. Some at APsaA are encouraging doing combined programs where it is occurring in APsaA approved institutes.
3. We discussed difficulty filling IIPT committees. There are lot of committees working to help four candidates. We considered consolidating admissions committee with the FDC.
4. FDC Committee reported that one person who has expressed interest has met the requirement to apply to be a teaching analyst.
5. Curriculum committee reported working on Spring curriculum and in need of additional member.
6. We discussed the candidate class and a new concern about a student expressing interest in possibly taking a leave of absence.

Respectfully Submitted,

Matthew Rosa
